What are your three top priorities for the future development of Bawtry?

<p>Improve footpaths Improve road & pedestrian safety – slow down traffic Install another pedestrian crossing near Sainsburys Rework the vehicular entrance/exit from Sainsburys car park – dangerous – unclear cars may cross the pavement – who has right of way? Traffic congestion Rejuvenate Market Hill Curb nighttime economy – especially vertical drinking establishments, rather than restaurants - associated noise & rowdiness – drinkers filling the pavements - limit licenses. Turnpike singled out. Taxi rank on Market Hill might help. Parking – why can't New Hall be used? Playing space for junior football – could green belt land be used? Create a market on Market Hill New housing – where? What will be the impact on Bawtry of Harworth expansion?</p>

What do you think is the most important issue facing Bawtry? How should it be addressed?

<p>Parking problems – especially long stay (commuters) – provide free parking – reduce Market Hill charges – deal with on street parking problems, especially Church St Not acknowledging its history & heritage – create heritage trail – use/join Mayflower 2020 celebrations The town looks tired Reduce traffic speed – traffic calming measures Volume & speed of HGVs Drag racing around the town Rework the market place – make green space Crime – do we have accurate info? New money needed to refurbish the town What's happening on the main car auction site?</p>
